We always advise you to speak to a member of staff if you have any food allergies or intolerance. We are happy to provide you with the allergen guidelines to support you in making your own menu choice; however, we cannot recommend or tell you what is suitable for you to eat or drink. We declare the main fourteen allergens recognised by the FSA, but we are unable to give information on allergens outside of this; however, as we handle many allergens in our busy kitchens we therefore cannot guarantee all traces of allergens are completely removed.
